

# Down to Earth - Moss

\$16.00/tile

Rugged in look, soft in texture &ndash; we've translated the subtle tonal variations found in nature into a textural feast for the eyes (and toes). When paired with Urban Nature the combination is reminiscent of an ecological study of colors and texture, welcoming nature into every space. Made in the USA 100% recycled face fibers Heavy traffic Parquet (quarter-turn) installation

## General Information

|                        |                   |
|------------------------|-------------------|
| Product Number         | 211402            |
| Construction           | Loop Pile         |
| Soil/Stain Protection  | No                |
| Fiber Content          | Nylon             |
| Dye Method             | 100% Solution Dye |
| Post-Industrial        | 59%               |
| Post Consumer          | 6%                |
| Total Recycled Content | 65%               |
| Adhesive               | FLORdots&trade;   |

## Product Specifications

|                    |                   |
|--------------------|-------------------|
| Tufted Yarn Weight | 28 oz/yd&sup2;    |
| Machine Gauge      | 1/10 in           |
| Pile Height        | .20 in            |
| Pile Thickness     | .141 in           |
| Stitches           | 7.3/in            |
| Pile Density       | 7149              |
| Total Thickness    | .337 in           |
| Size               | 19.7 in x 19.7 in |

## Performance Specifications

|                    |                            |
|--------------------|----------------------------|
| Indoor Air Quality | Green Label Plus Certified |
| Radiant Panel      | (ASTM E - 648) Class 1     |
| Smoke Density      | (ASTM E - 662)             |
| Lightfastness      | (AATCC16-E)                |
| Static             | (AATCC - 134) < 3.0 KV     |
| Standard Backing   | GlasBac Tile               |
| Foot Traffic       | Heavy                      |

\*(PI) Post-Industrial--percentage of recycled content derived from industry scraps.

\*(PC) Post Consumer--percentage of recycled content derived from materials recycled by consumers and businesses.
