

Ups & Downs

\$14.00/tile

Ideal for family rooms, kids rooms, and other high-traffic areas, Ups and Downs offers variable width bands and stripes in color combinations ranging from quietly neutral to eye-poppingly playful. All in a loop pile construction that's soft yet very durable. Coordinates with Toy Poodle and mixes well with House Pet. Stripes are random, so no two tiles are alike. Looks best installed parquet style. Made in the USA. Note: The stripes in this pattern are random and no two tiles are alike. The pattern will not always align when installed in the same direction.
