Unabashed, no-apologies opulence. Manx features our heaviest and most dense wool face, making it the softest, most plush cut pile in the floresse collection. The beveled edges offer an added architectural crispness. Looks best with squares installed in the same direction. 100% Pure British Wool face fibers - a sustainable, rapidly renewable material. Made in USA. Call 866.281.3567 or sign up to be notified once it is in stock. Dont want to wait?
