Hotel Indigo Madison Downtown

Unique Boutique.

Welcome to The Russell, a boutique hotel in Nashville, TN that's giving back to the community in style. Housed in a 115-year-old historic church, this unique hotel gives back a portion of every guest's stay to local homeless ministries. Powell Architecture + Building Studio partnered with FLOR to make every inch of The Russell a vivid, aesthetic experience.

When it came to flooring, Interior Design Director, Katie Vance wanted a statement rug that could bring out the vibrant colors of the church's original stained-glass windows, while still withstanding heavy foot traffic. Made You Look was the perfect fit.

Every order comes with our signature FLORdots™ (TacTiles®). These stick to the corners of each tile, not to your floor.
