Meet Lindsie Davis, founder and principal designer of Blueberry Jones Design, a Texas-based interiors firm specializing in high-end, full-service residential design. Lindsie is known for creating eclectic, playful homes that push creative boundaries and enhance her clients' daily lives. Read more about her unique design process.

TELL US ABOUT BLUEBERRY JONES DESIGN AND YOUR DESIGN PHILOSOPHY.

My designs are vibrant, eclectic, playful, and risk-taking. I love to infuse colors, patterns, and textiles that push design boundaries. One thing I always make sure to add to my designs is an out-of-the-box piece that challenges my clients' styles. That's often the piece they end up loving most!

WHAT MADE FLOR A GOOD FIT FOR THE PROJECTS YOU'RE WORKING ON?

I love designing with FLOR rugs because of the durability, but also the endless amount of creation! Whether you're adding borders and textures or creating your own designs, you're not constrained by anything. My clients also love FLOR because they create beautiful, dynamic spaces that are also life-proof.

WHAT'S THE MOST EXCITING THING ABOUT DESIGNING YOUR OWN SPACE?

I am definitely a risk-taker. I've been experimenting more with mismatched colors, which has been very fun. FLOR tiles seamlessly fit in because they allow me to play with colors in a unique way—even the neutral rugs can liven up a space with the variety of textures and patterns.

WHAT ARE SOME OF YOUR FAVORITE INTERIOR DESIGN TRENDS RIGHT NOW?

People want to infuse personality into their spaces again, and I'm here for it! In recent years, we saw tranquility, minimalism, and less-is-more design, which is lovely, but it felt like we lost a bit of design expression during that time. Now we're starting to see more maximalism that emphasizes creativity through color, layering, and texture.

Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

1.

SAMPLES

See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://flor.com/samples) to get started.

2.

ORDER

Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

3.

FLORDOTS

These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

4.

EASY CLEANING

The tiles come apart for easy cleaning—just loosen the FLORDot, rinse tile in your sink, and put it back in place.

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://flor.com/tile-calculator).
