MAKING A DIFFERENCE
One Tile at a Time

One of the simplest steps toward sustainability is owning a rug made to last. Our modular design makes it easy to replace damaged tiles as needed, instead of your whole rug. Plus, they're made from recycled materials and renewable energy for a look you can feel good about.

	<p>100% of electricity used in our manufacturing site is from renewable sources.</p>	
<p>Return & Recycle We take back your old tiles and turn them into new ones, keeping millions of pounds of carpet out of landfills.</p>		<p>83% reduction to the carbon footprint of our carpet tiles since 1996.</p>
	<p>2003 We've been committed to sustainability since our founding in 2003.</p>	
<p>67% of carpet tile materials used are recycled or bio-based.</p>		<p>American Made Nearly all FLOR tiles are made in LaGrange, Georgia.</p>

GETTING YOUR RUG

Your rug will arrive with everything you need to get started, including adhesive FLORDots and assembly instructions.

PUTTING IT TOGETHER

Your tiles are held together by adhesive FLORDots that stick to your rug (not the floor). Simply stick the dot to the bottom of each tile to connect it with its neighboring tile.

ENJOYING YOUR RUG

Place your rug wherever you please (yes, even the messy spaces). It's washable, durable, and made for real life.

Rug Sizes

Whether large or small, we know finding the right size rug can be complicated. To help you get started, we've calculated the most common rug sizes.

5 x 7 = 12 Tiles

8 x 10 = 30 Tiles

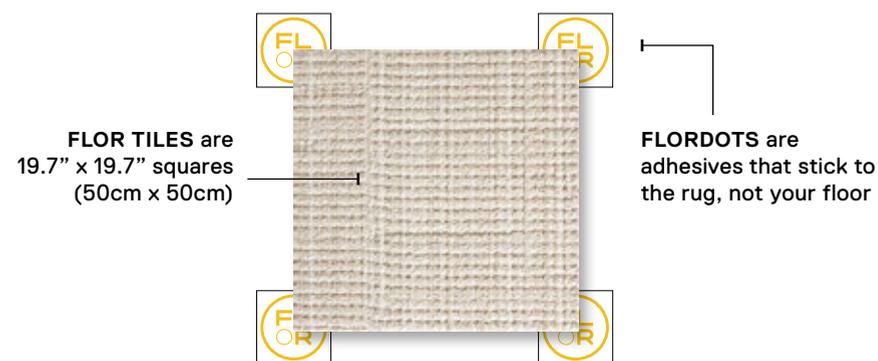

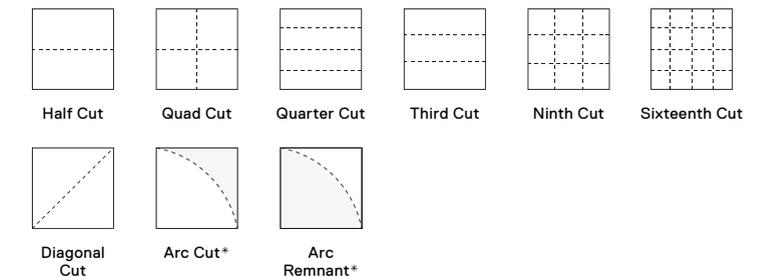

10 x 12 = 42 Tiles

Please note that rug sizes are approximate, as each FLOR tile measures 19.7" x 19.7".

Custom Cuts Galore

Designing a custom rug? Make a one-of-a-kind look with 9 options for tile cuts. Cuts cost \$3.50 per tile, not per cut.

*Arc cut tiles will not align with full tiles.

Life Happens. FLOR *Handles It.*

What's not to love about rugs made with tiles? They're easy to install, rearrange, and even recycle. But most of all, they're easy to clean. All of our rugs are modular, so you can simply pick up a tile, clean, and replace it. Our carpet tiles are washable, quick drying, reusable, and pet friendly.

From wine spills to candle wax, we've got you covered. See our cleaning tips at [FLOR.com/care](https://www.flor.com/care).

Spot clean and smile.

Wipe up smaller messes with a paper towel or damp cloth. Don't worry about scrubbing off your color—our designs are dyed in, never printed on.

Lift. Rinse. Relax.

Don't cry over spilled wine. Cleaning tough spills is as easy as picking up a tile, washing it in the sink, and replacing it.

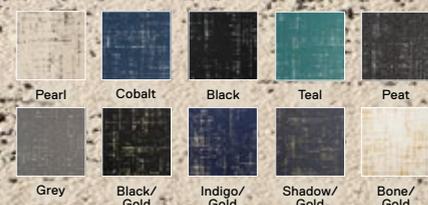

Damaged tile? Swap it out.

Don't throw out your whole rug for just one stain. Simply switch out your old tile with a new one.
