WHAT INSPIRES YOUR STYLE?
The city of Miami inspires me the most. I love the colorful eccentricness, the tan lines, all of it. I live in the Art Deco district, and I can walk out the door and feel inspired by all the buildings in beautiful blues and pinks. There's color everywhere in Miami Beach.

HOW DO YOU CHOOSE A RUG WHEN YOU'RE DESIGNING A SPACE?

I always pick the rug after the furniture and the wall colorings—it's the finishing touch. You want a rug that can take a lot of traffic and has an easy cleanup.

WHAT ARE YOUR TIPS FOR DESIGNING WITH COLOR?

Every room has a different feeling. Who we are in the bedroom is different from who we are in the living room, where we entertain. Look in your closet at what colors you wear when you want to feel fun and playful, and use them in the living room. The colors you wear to feel sexy and sensual, incorporate into the bedroom.

EMBRACING TOMORROW, TODAY

Like the yarns used in our rugs, our journey to sustainability is woven into who we are. Between responsibly sourced materials, manufacturing powered by renewable energy, and carbon negative rug backing technology, our environmentally friendly rugs look beautiful in your home while being good to the Earth.

Rug Backings That Give Back

FLOR partners with Aquafil, who recycles used nylon into beautiful yarns for our area rugs. Aquafil's regenerated ECONYL® nylon is the same as brand-new nylon but doesn't utilize new resources.

All of our rug backings are, at minimum, carbon neutral. But now, we offer three new backings that are designed to move beyond carbon neutral and toward a carbon negative future.

Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

1. SAMPLES
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://www.flor.com/samples) to get started.

2. ORDER
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

3. FLORDOTS
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

4. EASY CLEANING
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://www.flor.com/tile-calculator).

5' x 7' 12 tiles | 8' x 10' 30 tiles | 10' x 12' 42 tiles

Cuts can help you get the best look for your space. Each cut is \$3.50 per tile. We also offer complimentary design services by phone or email.
