As the premium design brand of Interface®, FLOR has been bringing high-end area rugs to offices and homes since 2003. FLOR carpet tiles are beautiful, easy to install, and sustainably sourced. Our innovative area rug solution is the perfect design accent for offices, conference rooms, and high-profile collaborative spaces.

FLOR rugs have all the performance benefits of Interface products and come with a 15-year warranty, so they’ll get the job done for years to come.

+ BEAUTIFUL
+ SMART
+ RESPONSIBLE
With thoughtfully sourced materials and our Carbon Neutral Floors™ program, we design beautiful rugs with you and the Earth in mind.

RESPONSIBLE

FLOR helps us be more sustainable through optionality. We do not have to replace full carpets that have wear and tear—we can concentrate on the tiles that have lost their battles to stilettos over time.

BEAUTIFUL

Work in style with bold patterns, colorful accents, and high-end designs that are anything but business as usual.

“We integrated FLOR as accent pieces with the Interface LVT used on this project. FLOR helped in breaking up office spaces to create nooks where employees can go for a change of environment and a more home-like atmosphere.”
