

# Coming Along - Grey

\$18.00/tile

The familiar look of woven sea grass but in earth-friendly fibers that make it softer and easier to maintain Made in the USA 100% recycled face fibers Medium traffic Parquet (quarter-turn) installation

## Installation

Parquet (Quarter-Turned) Installation

## General Information

|                        |                   |
|------------------------|-------------------|
| Product Number         | 211345            |
| Construction           | Loop Pile         |
| Soil/Stain Protection  | No                |
| Fiber Content          | Nylon             |
| Dye Method             | 100% Solution Dye |
| Post-Industrial        | 57%               |
| Post Consumer          | 6%                |
| Total Recycled Content | 63%               |
| Adhesive               | FLORdots&trade;   |

## Product Specifications

|                    |                       |
|--------------------|-----------------------|
| Tufted Yarn Weight | 28 oz/yd <sup>2</sup> |
| Machine Gauge      | 1/10 in               |
| Pile Height        | .24 in                |
| Pile Thickness     | .165 in               |
| Stitches           | 11.13/in              |
| Pile Density       | 6109                  |
| Total Thickness    | .356 in               |
| Size               | 19.7 in x 19.7 in     |

## Performance Specifications

|                    |                            |
|--------------------|----------------------------|
| Indoor Air Quality | Green Label Plus Certified |
| Radiant Panel      | (ASTM E - 648) Class 1     |
| Smoke Density      | (ASTM E - 662)             |
| Lightfastness      | (AATCC16-E)                |
| Static             | (AATCC - 134) < 3.0 KV     |
| Standard Backing   | GlasBac Tile               |

\*(PI) Post-Industrial--percentage of recycled content derived from industry scraps.

\*(PC) Post Consumer--percentage of recycled content derived from materials recycled by consumers and businesses.
